

Wisconsin Department of Veterans Affairs

Tony Evers, Governor | Mary M. Kolar, Secretary

November 5, 2020

Dear King Members, Friends, and Family:

I'd like to start today by again thanking all of you for your support of our staff and others who are working tirelessly to care for everyone here. Our staff here – from nursing to activities, custodial, laundry, food service and more – are all dedicated to providing the best possible service.

As you know, COVID-19 cases throughout the state continue to grow rapidly. Wisconsin saw a record-breaking 5,935 new cases of COVID-19 on Wednesday. As cases continue to grow in the community, we are also seeing additional cases here at King.

Today I must report that since yesterday, we've had one member test positive and two recover. We've also had nine employees test positive for COVID-19 and one recover. In total, we have 73 active cases of COVID-19 on campus (35 members, 38 employees).

Of course, as always, I implore you to protect yourself by staying home when possible, maintaining six feet of distance from others when you must go out, wearing a mask, and washing your hands regularly. Thank you for doing your part. We are all in this together.

Finally, as a reminder, if you would like to receive this communication digitally, I encourage you to visit www.WisVetsEmail.com and provide us with your name, email address, and/or cell phone number. Initially, this will not replace paper communications, but we want to be able to provide these updates to you as quickly as possible. We will eventually be transitioning away from paper communications.

Sincerely,

Tammy Servatius, Commandant
